Decisions & Certificates of Correction Branch

Sir:

In reply to the Decision for Request of Certificate of Correction mailed October 16, 2007 ("the Decision"), in connection with the above-identified patent, Applicant respectfully requests reconsideration in view of the following:

1. Applicant has requested correction of the subject patent to reflect Applicant's claim to priority under 35 USC 119 based on Japanese Application 2000-307775, filed October 6, 2000. During prosecution of the application, Applicant timely submitted copies of its claim for convention priority as filed September 19, 2001. This submission was accompanied by a certified copy of the Japanese priority application. The Office acknowledged Receipt of Applicant's claim for priority in the Office Action mailed March 8, 2006.

2. The Decision indicates that Applicant failed to fully comply with the requirements of 35 USC 119 on the basis that the application reveals that "conditional requirements were not met." However, as set forth above, Applicant's file indicates that all conditional requirements were in fact met. Consequently, Applicant requests reconsideration of the Decision and acceptance of Applicant's Request for Certificate of Correction filed on August 29, 2007.

3. In support of this request, Applicant submits herewith copies of the documents filed in the U.S. Patent and Trademark Office:

[X] Copy of Claim for Convention Priority, date-stamped by the Office on September 19, 2001(1 page).

[X] Copy of first page of certified copy of priority document, date stamped by the Office on September 19, 2001 (1 page).

[X] Copy of PAIR Image File Wrapper showing receipt date of the Certified Copy of Foreign Priority Application (3 pages).

[X] Copy of Office Action Summary issued March 8, 2006, acknowledging Applicant's claim of priority (1 page) .

[X] Copy of Decision (1 page).

4. In the event that the Office maintains the prior Decision, Applicant requests clarification as to which specific conditional requirements for Applicant's claim to priority under 35 USC 119 are believed by the Office to have not been met.

Although Applicant believes that no fee is required for this Request, the Commissioner is hereby authorized to charge any additional fees which may be required for this Request to Deposit Account No. 19-0741.

Respectfully submitted,
